Keeping our children safe online!!

On this day all classes will discuss our Internet Safety rules and 'What to do if?' scenarios with their classroom teacher. We have also invited the local Community PSNI Officer into school during this week to talk to the P4 - P7 children about staying safe when online. Please take a few minutes to discuss this issue with your child during this week and visit our school website for more information.

THURSDAY 2 MARCH 2017

On this day P1 - P3 classes will focus on a book for their lessons and activities. P4 - P7 children will prepare a short talk on their favourite story, for the class, using a poster/powerpoint prepared at home.

We are sending home £1 vouchers which can be used to purchase a FREE book or to reduce the cost of a more expensive book, at participating bookstores, between 27 February and 26 March 2017.

If you have a book at home and you would like to find out if it is on the Accelerated Reader Scheme then you can visit: www.arbookfinder.com

If you have any used books, in good condition, which you have finished with, then please send them into school and we would be happy to add them to our school library.

PARENT INTERVIEWS 8 & 9 MARCH 2017

These interviews are optional as the main interviews were held in November. If you have a concern about your child and would like to make an appointment with your child's class teacher, on one of these dates, please phone the school office to get a suitable time from Mrs Derby.

123 CLUB AND AFTER SCHOOL CLUBS

RECYCLING AT WOODS

Thank you to all families who donated recycled materials in January. The items are being put to good use in our After School clubs and classrooms. Please continue to collect and bring to school for recycling:

- Old CDs
- Old household small batteries.

Remember to drop your old textiles/clothes into our clothing bank at the front of the school. This helps us to raise school funds as well as caring for the environment.
